June 8 works. How about 11am? I may include Lily since she worked on the letter, but I am back to my position as Section Chief, so I am your primary management contact now.

However, If you think your concern needs to be elevated within the Superfund program, I can invite Rich Hiatt who has started his stint as acting Assistant Director.

Thank you,

Dana

I was going to suggest exactly that. Are you available on June 8th (anytime other than 1 p.m. – 3 p.m.) or June 9th? I'm assuming you will want to invite Lily as well. Thank you.

Dear Mr. Halsey,

Attached please find a letter regarding the Leviathan Mine Site Remedial Investigation/ Feasibility Study (RI/FS) schedule. In this letter, we outline an path forward to documenting our mutual concurrence on a schedule to have a final RI/FS by June 30, 2019.

I am currently on travel meeting with the Washoe Tribe of Nevada and California's Chairman for a site tour. I understand that Brian Johnson will also be attending this event. I am happy to discuss this letter with him in more detail and I will follow up with

you when I return early next week.

Sincerely,
